BOARD SEEKS TO REVOKE OR SUSPEND LICENSE OF PSYCHOLOGICAL ASSOCIATE FOR SEXUAL MISCONDUCT

*TEMECULA PSYCHOLOGICAL ASSOCIATE ACCUSED
OF SEXUAL ABUSE, GROSS NEGLIGENCE OF PATIENT*

SACRAMENTO, Calif. – The California Board of Psychology (Board) has filed an accusation seeking to revoke or suspend the license of Vincent Shanks, Ph.D. #[94020884](#), of Temecula, for allegedly engaging in sexual exploitation with a patient, sexual misconduct, gross negligence, dishonest and fraudulent acts, violating patient confidentiality, working outside their area of competence in violation of ethical standards, and general unprofessional conduct.

According to the [Accusation filed by the Board September 9, 2022](#), as a registered psychological associate, Shanks provided psychotherapeutic treatment to a patient over the course of several months. While under his care, Shanks repeatedly told the patient he had special abilities using spiritual healing, energy work, and astral projection. Under the guise of psychotherapeutic treatment and services, Shanks, during various visits, allegedly inappropriately touched the patient's stomach and breasts as so-called psychic healing techniques to help her with issues she was dealing with.

The complaint also alleges that while treating the patient, but without her consent, Shanks allowed another client to sit in during an appointment as a testimony to the effectiveness of his healing methods.
