ORDER OF ADOPTION

Effective March 4, 2011 the Board adopted Sections 1381.7, 1381.8, and 1381.9 of Division 13.1 of Title 16 of the California Code of Regulations, to read as follows:

§ 1381.7. Renewal of License

(a) A renewal application shall be accompanied by the fee or fees specified in section 1392 or 1392.1.

(b) For a license or registration that expires after December 31, 2010, as a condition of renewal, an applicant for renewal not previously fingerprinted by the board, or for whom an electronic record of the submission of fingerprints does not exist in the Department of Justice's criminal offender record identification database, is required to furnish to the Department of Justice, as directed by the board, a full set of fingerprints for the purpose of conducting a criminal history record check and to undergo a state and federal level criminal offender record information search conducted through the Department of Justice. Failure to submit a full set of fingerprints to the Department of Justice on or before the date required for renewal of a license or registration is grounds for discipline by the board. The licensee or registrant shall certify on the renewal application whether the fingerprints have been submitted. This requirement is waived if the licensee or registrant renews in an inactive status, or is actively serving in the military outside the country.

(c) As a condition of renewal, an applicant for renewal shall disclose on the renewal application whether, since he or she last renewed his or her license or registration, he or she has been convicted of any violation of the law in this or any other state, the United States or its territories, military court, or other country, omitting traffic infractions under \$500.00 not involving alcohol, a dangerous drug, or a controlled substance.

(d) As a condition of renewal, an applicant for renewal shall disclose on the renewal application whether, since he or she last renewed his or her license or registration, he or she has had a license disciplined by a government agency or other disciplinary body. Discipline includes, but is not limited to, suspension, revocation, voluntary surrender, probation, reprimand, or any other restriction on a license or registration held.

(e) Failure to provide all of the information required by this section renders any application for renewal incomplete and the license or registration ineligible for renewal.

Adopt Section 1381.8 of Division 13.1 of Title 16 of the California Code of Regulations, to read as follows:

§ 1381.8. Inactive License.

A license may be maintained in an inactive status by providing the renewal application and fee specified in section 1392.

In addition to any other requirements, a licensee activating a license pursuant to section 2988 of the Code shall furnish a full set of fingerprints as required by and set out in section 1381.7(b) as a condition of activation.

§ 1381.9. Renewal of Expired License.

In the event a licensee does not renew his or her license as provided in section 2982 of the Code, the license expires. In addition to any other requirements, a licensee renewing pursuant to section 2984 of the Code shall furnish a full set of fingerprints as required by and set out in section 1381.7(b) as a condition of renewal.
