

MEMORANDUM

DATE	May 31, 2017
TO	Board of Psychology
FROM	 Jason Glasspiegel Central Services Coordinator
SUBJECT	Agenda Item #5(b)(2)(FF) – AB 1116 (Grayson) Peer Support and Crisis Referral Services Act.

Background:

This bill would create the Peer Support and Crisis Referral Services Act. The bill would, for purposes of the act, define a “peer support team” as a local critical incident response team composed of individuals from emergency services professions, emergency medical services, hospital staff, clergy, and educators who have completed a peer support training course developed by the Office of Emergency Services, the California Firefighter Joint Apprenticeship Committee, or the Commission on Correctional Peace Officer Standards and Training. The bill would provide that a communication made by emergency service personnel to a peer support team member while the emergency service personnel receives peer support services is confidential and shall not be disclosed in a civil or administrative proceeding, except as specified. The bill would also provide that, except for an action for medical malpractice, a peer support team or a peer support team member providing peer support services is not liable for damages, as specified, relating to the team’s or team member’s act, error, or omission in performing peer support services, unless the act, error, or omission constitutes gross negligence or intentional misconduct. The bill would provide that a communication made by emergency service personnel to a crisis hotline or crisis referral service is confidential and shall not be disclosed in a civil or administrative proceeding, except as specified.

This bill would establish a privilege for a communication between an individual employed as emergency service personnel and a peer support team member or a person or volunteer staffing a crisis hotline or crisis referral service for emergency service personnel for the purposes of a noncriminal proceeding, as specified.
