

MEMORANDUM

DATE	March 1, 2017
TO	Policy and Advocacy Committee
FROM	 Konnor Leitzell Central Services Student Assistant
SUBJECT	Agenda Item #7 (a)(ii)(BB) – SB 241 (Monning)Medical Records: Access

Background:

This bill would change the basis of the fee that a health care provider is authorized to charge for production of patient records, including specified costs for labor, supplies, postage, and preparing an explanation or summary of the patient record. This bill would also limit the fee to no more than \$0.25 per page for paper copies and \$0.50 for copies made from microfilm. Additionally, the bill would require the health care provider to provide the patient or patient's personal representative with a copy of the records in the form or format requested if the records are readily producible in that form or format, or in a format agreed to by the health care provider and the patient or patient's personal representative. .

Location: Senate
