

MEMORANDUM

DATE	April 10, 2017
TO	Board of Psychology
FROM	 Konnor Leitzell Central Services Student Assistant
SUBJECT	Agenda Item #4(b)(1)(B) Recommendations for the Board to Watch Bills

Background:

The following memos are bills that Policy and Advocacy Committee recommend that the Board watch. Each memo provides a summary of the bill's provisions and details an explanation of why the Board needs to watch the bill as it progresses through the legislative process. The full text of each bill is also provided along with the memo.

For all watch bills, the bill is reviewed by staff after any amendments are made to the bill, and staff reassesses the potential impacts of the amended language to determine if the bill requires a full analysis to be submitted to the Policy and Advocacy Committee and/or full Board.

Action Requested:

The Policy and Advocacy Committee recommends that the Board continue to watch all the bills covered in this section, except for SB 247 (Moorlach) which should be removed from the Board's watch list.
