50 page. Mr. Heppler suggested the Board start at around page 20 of the report and
51 noted that on Page 1 line 10 the title is not capitalized. Dr. Horn suggested on line
52 41 to change the word "philosophy" to "policy" in "the Board has adopted the zero
53 tolerance philosophy" and add the word "full" next to Board. On line 42, state that
54 "Board members serve on committees listed below" instead of "listed committees"
55 and in line 49, change "been meeting separate" with "met separately".

56
57 Ms. Jones suggested arranging the attendance in date of appointment order in
58 Table 1a. Dr. Horn suggested deleting the last sentence in Telepsychology
59 Committee on page two. Dr. Phillips suggested adding "interstate practice" in the
60 first sentence, and requested adding all committee meeting dates and locations to
61 Table 1a. Ms. Jones suggested that Table 1b and committee rosters also be added
62 to Table 1a.

63 Dr. Horn requested that the Board's position be added to line 302 in AB 2058 and to
64 hyphen Bagley Keene. She also suggested adding the word "a" before "supervisor"
65 on page 17, line 410, in AB 1374.

66 Ms. Sorrick requested that all sections of the Business and Professions Code be
67 added that would have been affected by AB 2198 on page 15, and by AB 1758 on
68 page 16.

69 Dr. Horn noted an extra space on page 19 next to 1397.2, and on page 20, line 498,
70 take out the word "current".

71 Dr. Phillips requested that "Rulemaking File" be capitalized. Mr. Kapoor agreed that
72 it should be capitalized throughout the document.

- 73 Ms. Jones suggested on page 21 that the Board add something about using
74 ASPPB's suggestions in the CPD/CE language.
- 75 Dr. Phillips suggested deleting the last sentence on page 22, line 548, "The matrix
76 and definitions were....."
- 77 Ms. Sorrick explained how the survey was conducted in number 4, page 22.
- 78 Dr. Horn asked for clarification on page 23 under the second paragraph that starts
79 with "ASPPB was formed in 1961...." and suggested taking out the last sentence in
80 that paragraph that ends with "every six months".
- 81 Ms. Sorrick recommended in the next paragraph starting with "In addition to creating
82 the EPPP..." adding after the word "mobility", "by encouraging certain standards of
83 training for psychologists".
- 84 Dr. Horn requested staff reorder the bullet points in number 5 in the order of the
85 question asked or delete this paragraph altogether.
- 86 Ms. Jones requested adding attendance at the ASPPS Board of Directors meeting
87 in Pasadena.
- 88 Dr. Horn requested staff rework the comment on page 34 under number 21 to better
89 reflect the Board's process.
- 90 Ms. Jones suggested rewording the last sentence in question 30 on page 38. Ms.
91 Sorrick suggested replacing that last sentence with the approved language in the
92 proposed changes in 2015, describing what CPD is.
- 93 Ms. Sorrick read Dr. Linder-Crow's comment about how the model will provide for
94 additional entities to approve CE.
- 95 Mr. Heppler suggested using the word "revising" instead of "seeking" in the last
96 sentence in i. on page 39, and also suggested using the words "peer consultation"
97 instead of "peer review".
- 98 Ms. Monterrubio will draft language to better explain in Section 5, number 31, ""by
99 reducing the amount of time given to a respondent during settlement negotiations".
- 100 Ms. Sorrick informed the Board that the amounts in Table 11, page 48 will be
101 updated.

104 Mr. Thomas suggested deleting "and agenda item materials" in the last sentence in
105 question number 49 in Section 6.

106 Ms. Jones suggested in question #54 on page 49 to add outreach to schools, and
107 that social media statistics should be added.

108 Ms. Sorrick gave a brief explanation of what are workforce shortages and
109 suggested the Department of Consumer Affairs answer both a) and b) in question
110 #59 instead of the Board.

111 In the Board's response to Issue #2, from November 1, 2011 on page 54, Dr. Horn
112 suggested adding that staff has been able to meet its workload performance
113 measure.

114 In the Board's response to Issue #3, Dr. Horn requested the following three entities
115 be listed in the following order: ASPPB first, American Psychological Association
116 (APA) second, and then the APA Insurance Trust (APAIT). Also clarify that the draft
117 language will be presented to the Board in 2016.

118 In the Board's *Update* to Issue #4, Dr. Horn pointed out that the word "submit"
119 should be "submitted" since the date has already passed, and remove the quotes
120 around "candidacy to pre-accreditation" in both places in the *Update*. Dr. Horn also
121 suggested adding more specific information on the limitations, such as students are
122 ineligible to attend accredited internships and/or post-doctoral training programs,
123 have some of the lowest examination passing rates on the EPPP, and cannot
124 become licensed as psychologists in virtually any other state.

125 Ms. Acquaye-Baddoo suggested that it would be easier to read if the information in
126 the paragraph were bulleted.

127 Ms. Jones suggested that the issue of approved schools be discussed at a future
128 Board meeting.

129 In Section 11, Dr. Horn had some minor edits in #2. The bullet points are not
130 consistent. They should not be capitalized. Under "Applied Behavioral Analysis" in
131 the sentence for autism add "spectrum disorders".
